

Travel Insurance

No matter where their travels take them. Help them travel safely.

Canadians take millions of trips a year, but many do not have adequate coverage to cover medical expenses in the event of unforeseen illness, injury or an accident.

Whether your customers are planning to take a trip overseas or are welcoming family from abroad, you can confidently deliver additional protection for all their insurance needs, with a new travel solution brought to you by Valeyo.

Solution Benefits

Turnkey Digital Solution

Simple and efficient set-up, with total marketing and operational support, reduces work for internal teams.

Customer Acquisition

Non-customer sales may be assigned to your credit union providing you with cross sell opportunities.

Revenue Growth

Earn non-interest revenue by offering needed travel insurance protection for your customers.

Did you know?

The cost of unforeseen medical expense while abroad, far exceeds the average cost of a trip.

Customer Benefits

Service Excellence

Licensed Insurance Advisors (LIAs) are licensed to sell travel insurance in all Canadian provinces and territories. Customers receive experienced, knowledgeable sales support.

24/7 Emergency Assistance

Multilingual claims services are available 24/7, 365 days a year to assist customers in the event of a medical emergency with full support from directing travelers to local medical facility to maintaining contact with family and doctors at home.

Simplified Underwriting

No medical questions asked for travelers 59 or younger and simplified medical questions for customers over 59.

Flexible Coverage Options

Valeyo has secured a number of options to meet your customers' diverse insurance needs.

- Travel Medical (outside of Canada)
- Travel Medical (visitor to Canada)
- All Inclusive Holidays package
- Trip Cancellation
- COVID Medical Insurance (added to medical coverage)
